and staff

**Thursday
November 17, 2016**

Random Lake School
District
605 Random Lake Rd
Random Lake, WI
53075

Hosts: Amy Lawrenz
and staff

This special workshop consists of panel presentations and peer-to-peer mentorship to assist Food Service Directors (FSDs) in developing goals and action plans to enhance school food service operation. FSDs will learn from each other while addressing individual resource and training needs and take a plan of action back to their SFA.

Other staff members will benefit from a separate session on how their role in the school nutrition program affects the budget.

Or register by faxing attached form to 608-267-0363; or laura.paella@dpi.wi.gov.

Team Up for School Nutrition Success: Food Waste

Developed by The Institute for Child Nutrition (ICN), for USDA, the Team Up training model utilizes a peer-to-peer approach to problem solve and develop goals and action plans that FSDs will be able to take back to their school nutrition programs. Several Wisconsin FSDs participated in Team Up events at the regional and state level over the last two years. Because of the overwhelming positive response to those workshops, Department of Public Instruction is excited to expand the Team Up concept through Small Victories. All FSDs, both those that have attended a Team Up event, and those for whom this will be a first experience, are highly encouraged to attend this special training.

Directors: Your staff will benefit from this workshop, too, as we discuss how everyone impacts the school nutrition budget. This workshop is 3 hours of professional standards training.

Agenda

3:30-3:45 Registration and Networking

3:45-4:15 Overview of Team Up for School Nutrition Success

An overview of the Team Up training model and what you can expect from the workshop.

4:15-4:45 Best Practices "Food Waste"

Hear about how other schools are handling food waste as area school nutrition directors showcase best practices and strategies for minimizing food waste in their programs.

4:45-5:00 Break

5:00-6:15 Small Workgroups – Smart Plans: School Nutrition Directors (Peer to Peer Training)

Nutrition directors will break into small groups and work with peer mentors to discuss food waste, write SMART goals and develop a plan of action they can take back to their programs.

5:00-6:15 Food and Finance – How Can I Impact the Budget (DPI Training for Other Staff)

This interactive session will include discussion of how school nutrition professionals impact the budget and will credit as one training hour toward the GOALS Certificate. Communication and Marketing (Program Promotion).

6:15-6:30 Final Comments and Q&As

6:30-7:00 Continue the Conversation – Networking Meal

7:00 Adjourn

You will leave the workshop with:

- A plan of action for moving forward including specific goals for program improvement.
- A peer contact to network and share ideas with throughout the year.
- No cost or low cost resources for implementing your plan.
- 3 credit hours toward annual training requirements under USDA Professional Standards.

Please join us for this exciting learning opportunity.

Small Victories Courses count as Continuing Education Units/Credits (CEUs) and Specialized Training Hours (STH) for School Nutrition Association (SNA) certification.

USDA is an equal opportunity provider and employer.
